

The image shows a circular seal of the University of Toronto. The outer ring contains the text 'UNIVERSITY OF TORONTO' at the top and 'FOUNDED 1827' at the bottom. The inner circle features a shield with a cross, and the words 'UNIVERSITY OF TORONTO' are written around the shield. Overlaid on the seal is the word 'König' in a large, black, Gothic-style font.

**HEALTH RESTORED**

BY THE USE OF  
**BRISTOL'S SUGAR-COATED VEGETABLE  
PILLS.**

THESE Pills have justly acquired a widely extended reputation for their wonderful cures of severe cases of sickness—cases in which all other Medicines have failed, and which have been given up by Physicians as beyond help—such as confirmed and long-standing Liver Complaints, Bilious Colic, Dropsy, &c., &c. While admitting that their wonderful curative powers in different cases, we wish to call attention to their great value in the every-day diseases of life, such as COSTIVENESS, for which they are a perfect specific; HEADACHE, relieved and cured by one dose; INDIGESTION always removed by them, and the stomach also toned and strengthened as to prevent a return. BAD BREATH cannot exist when the stomach is cleansed by

**BRISTOL'S SUGAR-COATED  
PILLS.**

**FURSELY VEGETABLE.**

For LOSS OF APPETITE they are the only cure rapidly and safely derived, in everying of the depraved bilious secretions that flog in the stomach and destroy the healthy, natural craving for food. Sour Stomach, Heartburn, Flatulency, and all Disorders of the Digestive and Excretory Organs, are promptly relieved and cured by them. The public should always bear in mind that Bristol's are the only Pills made of

**PODOPHYLLIN & LIEPTEANDRIN.**

the only vegetable substances yet discovered that are really

**ANTIBILIOUS.**

to the presence of, which invaluable resinsoids the extraordinary success of Bristol's Pills may be in a great measure to be ascribed. It is essential, however, that the sick should always remember that in all diseases that have their origin in the blood,

**BRISTOL'S SARSAPARILLA.**

that best of blood-purifiers, should be used with the Pills, the two Medicines being prepared expressly to act in harmony together. When this is done failure to succeed is no limitation in saying that great relief, and in most cases, a cure, can be guaranteed, when the patient is not already beyond human help.

For general directions for the use of these, see the wrapper around each pair of Pills; but no different constitutions require different doses to produce the same effect; it is better that each sufferer, by trial, find the dose that suits their system, and take that dose, instead of following any general rule.
